

How to play

MONEY WHEEL

CASINO CANBERRA

LET'S PLAY MONEY WHEEL

*The Money Wheel is a dynamic and
unmistakable game, visible from
all corners of Casino Canberra.
Its recognisable whir is usually only
topped by the cheers you'll hear when
the top payout strikes!*

THE GOAL

The Money Wheel is about as simple as casino games can get. Just place your bets on the symbols and watch the wheel spin!

HOW TO PLAY

- ♦ Place a bet on the symbol on which you think the wheel will stop.
- ♦ The Dealer will spin the wheel once all bets are placed.
- ♦ Players can back several symbols on a spin to increase their chances of a payout.

WINNING

- ♦ The number of identical symbols on the wheel determines odds and payouts.
- ♦ Odds range from 1 to 1, with payouts of up to 47 to 1!

GOOD LUCK!

Buying Chips

Bets at the Casino are made with Casino chips. You can purchase these at any of the gaming tables. Simply place the amount you wish to play (notes only) on the table and the Dealer will pass you the equivalent in chips. Their value is clearly printed on each face. You can redeem your chips for cash at the Cashier's window at any time.

Ask any time

Our friendly staff are always happy to answer your questions about any of the games we play. Once you get started, feel free to ask your Dealer if you need to know more.

The Dealer's role is to manage the game and assist you with any queries you might have, however they cannot advise you on what to do.
