

Sunday Sesh – Terms and Conditions

Promotion Details:

Promotion Name:	Sunday Sesh
Date:	Every Sunday from 6 th January 2019 to 30 th June 2019
Time:	12:00pm – 7:00pm
Target:	All eligible Infinity Rewards program members
Location:	Casino Canberra, 21 Binara Street, Canberra

1. This promotional offer (known as the “Sunday Sesh” promotion) is open to Infinity Rewards program members (only).
2. Participation in the promotion constitutes an acceptance of these terms and conditions (which operate in conjunction with the Infinity Rewards Rules).
3. This promotion shall be conducted every Sunday from **12:00pm** until **7:00pm** from **6th January 2019 to 30th June 2019**.
4. **Number of participants:** There is no minimum or maximum number of participants per promotion.
5. **Registration:** No registration required.
6. **Operation:**
Every Sunday (as specified above) between 12:00pm and 7:00pm, Infinity Rewards program members (**only**) are offered an exclusive opportunity to play on **two** low limit gaming tables, being:
 - a Roulette table with a \$1 minimum; and
 - a Blackjack table with a \$5 minimum.
7. The two tables will be located on the Main Gaming Floor and will be identifiable by a sign stating “Members Only” (and the relevant table limits).
 - 7.1 Taking a seat at either of the tables, is subject to the participant providing proof of his or her membership with the Infinity Rewards program.
 - 7.2 At no time may a participant reserve a seat for himself/herself (or any other person) at the tables.
8. In the event that the promotion cannot be conducted at, or during, the specified times, due to unforeseen circumstances outside of Casino Canberra’s control, the promotion will take place as soon as is practicable after the delay has been resolved.
9. The conduct of the promotion, including decisions with respect to eligibility, is the responsibility of Casino Canberra (via authorised members of the management team). Casino Canberra’s decisions in relation to the promotion will be considered final and binding on every participant.
